WARNING: If your application is rejected by the Court, and you go to trial on the original charge(s), any statements you make on this application may be used against you at trial.

Section 1:

Defendant's Name _____

Address _____

Ticket No. _____

Charge: _____ Section _____ of the Vehicle & Traffic Law

I propose that I be allowed to plead guilty to the charge of _____
in full satisfaction of the charges originally pending against me, for the following reasons:

Describe the circumstances leading up to the charge:

****A certified abstract of my driving record, obtained from the Department of Motor Vehicles, is attached to this Application.** If you do not attach the driving record, your application will not be processed and returned to you.**

You must enclose a self-addressed, stamped envelope in order for this form to be returned to you.

Dated: _____

Defendant's Signature or Defense Counsel

.....
Section 2: The Oneonta City Prosecutor (accepts) (rejects) (modifies) the above proposal as follows, for the reasons specified:

(Agreed) (Recommended) sentence: _____

Dated: _____

Signature of Oneonta City Prosecutor

.....
Section 3: To be filled out by the defendant after the Oneonta City Prosecutor has signed Section 2.

I, _____ (Defendant) do accept the proposed reduction in the charge pending against me, and hereby state under penalty of perjury as follows:

1. I understand that I have the right to be represented by an attorney at my own expense on the original charge(s). I understand that an attorney may have specialized legal knowledge and ability to assist me in the defense of this charge(s) which I myself lack. Nevertheless, I do not want an attorney in this matter and I hereby waive my right to an attorney. I do not want an adjournment to consult with an attorney or anyone else, nor do I need any more time to decide what to do.

2. I understand that I have the right to a trial on the original charge(s). I understand that at such a trial, the prosecutor must establish proof of my guilt beyond a reasonable doubt in order

to get a conviction. At such a trial, I understand I would have the opportunity to question the witnesses and evidence presented against me, and to present witnesses and evidence on my own behalf. I understand I would also have the right to testify on my own behalf if I chose to do so, but that my failure to testify may not be held against me in any way. I have decided I do not want a trial.

3. Upon accepting my plea of guilty, the Court may sentence me to a fine and surcharge. If the Oneonta City Prosecutor has indicated an agreement on sentence hereinabove, and if the Court does not agree to the conditions of the sentence, I will be allowed to withdraw my guilty plea to the reduced charge(s) and continue with the original charge(s).

4. Other than a sentence consisting of a fine and surcharge for each reduced charge to which I am pleading guilty, I acknowledge and state that there have been no representations made to me by the Oneonta City Prosecutor or the Court as to the consequences of a plea of guilty to the reduced charge(s). This means, for example, that neither the Oneonta City Prosecutor nor the Court has advised me or informed me of what the possible effects of my guilty plea(s) might be on my driving record or insurance expenses. No representation has been made to me as to what points, if any, may be assessed on my driving record, or as to whether my license may be subject to suspension because of the guilty plea(s).

5. I understand that I must pay the fine and surcharge to the Court by the time specified by the Court; but that if I need an extension of time to pay, I may be able to obtain one by making a written request to the Court in advance of the due date of any such payment.

6. I understand that I may have one or more legal or factual defenses to the original charge(s), but that since I am waiving my right to a trial on the original charge(s), I will not have any opportunity to present proof of those defenses. I further understand that without such proof, or a request (motion) to consider my legal or factual defenses, the Court cannot rule on any defenses I might be able to claim. I understand it is possible that I may have been able to get the original charge(s) dismissed upon such request (motion) or after trial, instead of pleading guilty to the reduced charge(s) as proposed in this Application for Reduction of Charges.

7. I understand that the Court is relying on the truthfulness of the statements I make in Section 1 and Section 3 of this Application for Reduction of Charges, and I hereby state under penalty of perjury that they are true.

8. I hereby ask the Court to accept my guilty plea to the reduced charge(s) of:

Section _____ of the Vehicle and Traffic Law

Name of Charge: _____

(The specific section and name of charge must be completed prior to submitting the application to the Court. If you do not know the specific section, name of charge, or the points that may be placed on your driver's license, you may wish to consult with the Department of Motor Vehicles).
