
INFORMATIONAL MEETING

ON

NATURAL GAS TRANSPORTATION

Hear local and statewide experts discuss issues of natural gas transportation that are important to our Otsego County community. This meeting, presented by Otsego County, is open to the public and will be an opportunity to hear presentations of facts by local experts and corporate executives.

Participants will include representatives from XNG, New York State Department of Transportation, the New York State Police, the Otsego County Office of Emergency and others.

Hear presentations and discussions on topics including:

- Learning About XNG
- XNG's Trailers and Technology
- XNG's Regulatory and Safety Record
- Emergency Response
- Regulations governing motor carrier safety with regard to potentially hazardous materials
- Regulatory ability to prohibit natural gas transportation

Thursday, November 16

6:00—8:00 PM

Milford Central School Auditorium

42 West Main Street

Milford, NY 13807
