

## **STREET LIGHTING INFORMATIONAL WORKSHOP**

The Otsego Planning Department invites you to a group discussion on Street Lighting.

**WHEN: May 22, 2018**

**WHERE: Meadows Office Complex "Class Room A"  
County Highway 33W next to Public Safety  
Building**

**TIME: 5:30 PM – 7:00 pm** (finger food refreshments served)

### **TOPICS WILL INCLUDE:**

- Understanding the street light tariff and how to proceed
- Advantages and pitfalls of grouping community efforts
- Important steps to be aware of
- Benefits to the municipalities-energy savings and service Charge reductions
- Key to successful LED conversion
- How to leverage additional energy infrastructure improvements
- How your community can benefit from the newest technology

### **WHO SHOULD ATTEND?**

- Town, Village and City municipal representatives with lighting districts.
- Budget administrators – Town, Village Clerks, Treasurers
- DPW administrators
- Community Energy point people

Representatives from Siemens Corp, Integra LED and Acuity Lighting will be on hand to discuss the many options in upgrading your lights to LED.

**CALL THE COUNTY PLANNING DEPT  
607-547-4225 TO REGISTER**
