Re: Disposal of Carcasses/Animal Parts

The Otsego County Solid Waste Department would like to remind all local residents, animal carcasses/body parts from wildlife shall be accepted at the Oneonta and Cooperstown Transfer Station with the following conditions:

- Individuals shall **double bagged** material using 3ml contractor's bags ONLY!
- Individuals must clearly state to scale operator you have carcasses for disposal
- Individuals should not place carcasses/body parts in curb side pick up
- Fees will be charged at scale rate for disposal

For more information, please contact the Otsego County Solid Waste Department at 607-547-4225 and/or visiting our website at
